## **PRESIDENTIAL ADDRESS**

What up Red?! Make sure you tell Hibbett thank you for hosting our Super Bowl party again this year! Our next event on the schedule is Magic Wheels next Thursday. (It is \$2 with a student ID). After that, we will be having our Girls Retreat and Guys Retreat, so make sure you are signed up for one legendary weekend! Next week, we will be selling Crushes in the student center as a fundraiser for our mission trip, so make sure to send your crush a Crush!

Last semester, we kind of had a bummer with no Demo Derby, but your Officers have worked tirelessly to try and make up for it. We're going to a Rodeo!!! Mark your calendars for March 1, Phi Kappa will be loading up to go to Bridgestone Arena in Nashville for the World's Toughest Rodeo! Just like Demo Derby, we will have chili cooked for us at Creive

Hall Church of Christ where we will all try to meet before, then head there. This is on a Friday night in Middle Tennessee, so I know a lot of y'all will want to spend the weekend at home. You will not regret it, so come make some history with us! We will post more details on the page later. Don't forget to go out and see Mrs. Gover and get some love and hugs.

Y'all have a great rest of the week and an awesome weekend!!!

OTSS Nathan

## **CHAPLAIN CHATTER**

Thank you so much to Anthony and Jaret for doing such a great job on our first two club devos. Thank you to all those that helped on the community service trip, and for Chandler and Elizabeth planning it. This semester has started off great! The two "if" verses we have looked at are Matthew 16:24 and Romans 6:8. Both of these verses involve us putting Jesus first. If we want to have Jesus and live with him then we must deny ourselves and die with Christ. We carry the load of Jesus' cross everyday. IF we carry his cross our reward will be so amazing!

-Shaler and Kathryn
